Declaration of conformity

Product: ORTOXYLENE

We, SLOVNAFT, a.s., as a producer of ortoxylene hereby declare the following regarding Kosher status of our product:

- Ethyl alcohol is not used during the production of this product
- No substances of animal origin or their derivatives are used during the production of this product.

However, this product has not been tested for the presence of these substances. This product is not Kosher certified. No other requirements of Kosher standards have been assessed or tested.

The above information is provided to the best of our present knowledge. However, since the actual conditions of use and the specific use of final products are beyond our control, the user necessarily assumes all the risks of their use. As such all users must take their own testing to prove that the uses of final products are safe, lawful and technically suitable in its intended application. Our products are under continuous development; therefore, we reserve the right to change the information presented in document at our own discretion.
